Initiative

Secure electronic transactions – application of EU rules (report) (</info/law/better-regulation/have-your-say/initiatives/11973-Secure-electronic-transactions-application-of-EU-rules-report-en>).

There are 2 trust services that are not included in Eidas and should:

1. Paper documents digitization. Composed of: image capture, esignature or esel, and edocument preservation. Optional download link inclusion.
2. Digital Handwritten Electronic Signature. Composed of: Advanced signature, biometric signature capture, biometric information encryption, document hash binding, Comparison with reference signature

Video onboarding defined in article 24 and related to article 8 should be harmonized among countries and defined in common requirements. These requirements should be developed in an ETSI standard. Video onboarding services should be defined as independent qualified services.
